

**PITTSFORD FEDERAL CREDIT UNION**  
**MOBILE DEPOSIT SERVICES AGREEMENT**

Mobile Deposit is designed to allow you to deposit checks ("original checks") to your Pittsford FCU checking account(s) from home or other remote locations by delivering digital images of original checks and associated deposit information to us or our processor using your Mobile Device. Login to Mobile Banking and indicate acceptance of this agreement to enroll for Mobile Deposit.

**Limits.** Mobile Deposit transaction limits apply and are subject to change without prior notice. You will be notified by email or error message if you have submitted a Mobile Deposit that exceeds a transaction limit.

**Eligible items.** You agree to scan and deposit only checks (*i.e.*, drafts drawn on US Financial Institutions and payable on demand.)

You agree that you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (*i.e.*, payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks payable through a foreign bank or in foreign funds
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

**Requirements.** To use Mobile Deposit you must be enrolled in Internet Banking and have a checking account in good standing. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association. *We will let you know by email or error message if there is a problem with the image.*

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and your account number and "FOR MOBILE DEPOSIT ONLY". Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

**Receipt of Deposit.** All images processed for deposit through Mobile Deposit will be treated as "Mobile Deposits" under your current Membership and Account Agreement with us and will be subject to all terms of the Membership and Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for Mobile Deposit into your account. We will notify you of rejected images.

**Original checks.** After you receive confirmation that we have received an image, you must securely store the original check for 30 days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within 5 business days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.*

**You agree that you will never re-present the original check.** You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

**Returned Deposits.** Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

**Your Warranties.** You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.
