Purpose of Wire

**For Incoming INTERNATIONAL Wires:**

Pittsford FCU does not have a Swift Code. As such, the foreign bank must send the wire via their U.S. Correspondent Bank. The U.S. Correspondent Bank will then wire the funds to Pittsford FCU's account at Alloya Corporate FCU using the instructions above.

*Note: Not all originating foreign bank employees know the name of their U.S. Correspondent Bank. While it is not recommended, you may instruct them to use the Bank of New York, N.Y. Our experience is that once the funds enter the U.S. they are routed correctly.*

If you have any questions regarding these instructions please call our Member Service Center at 585-624-7474 or 800-836-8010.
